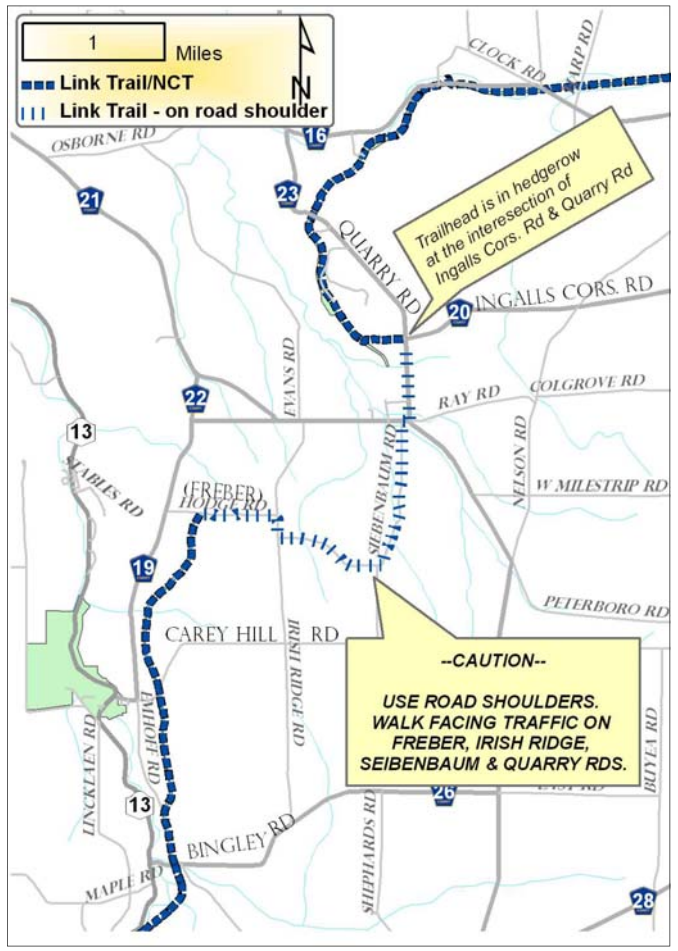
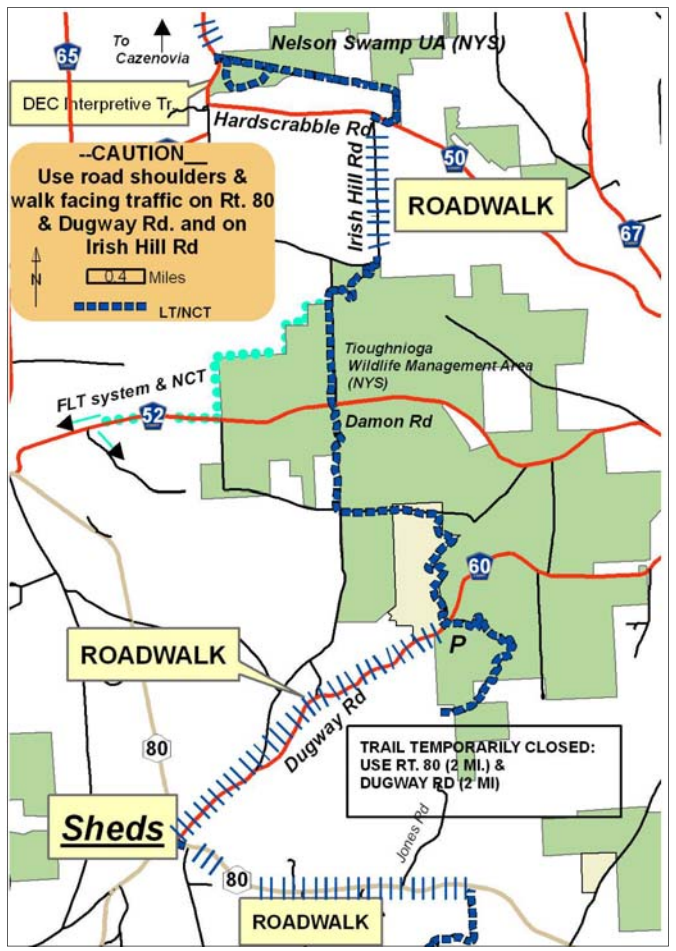
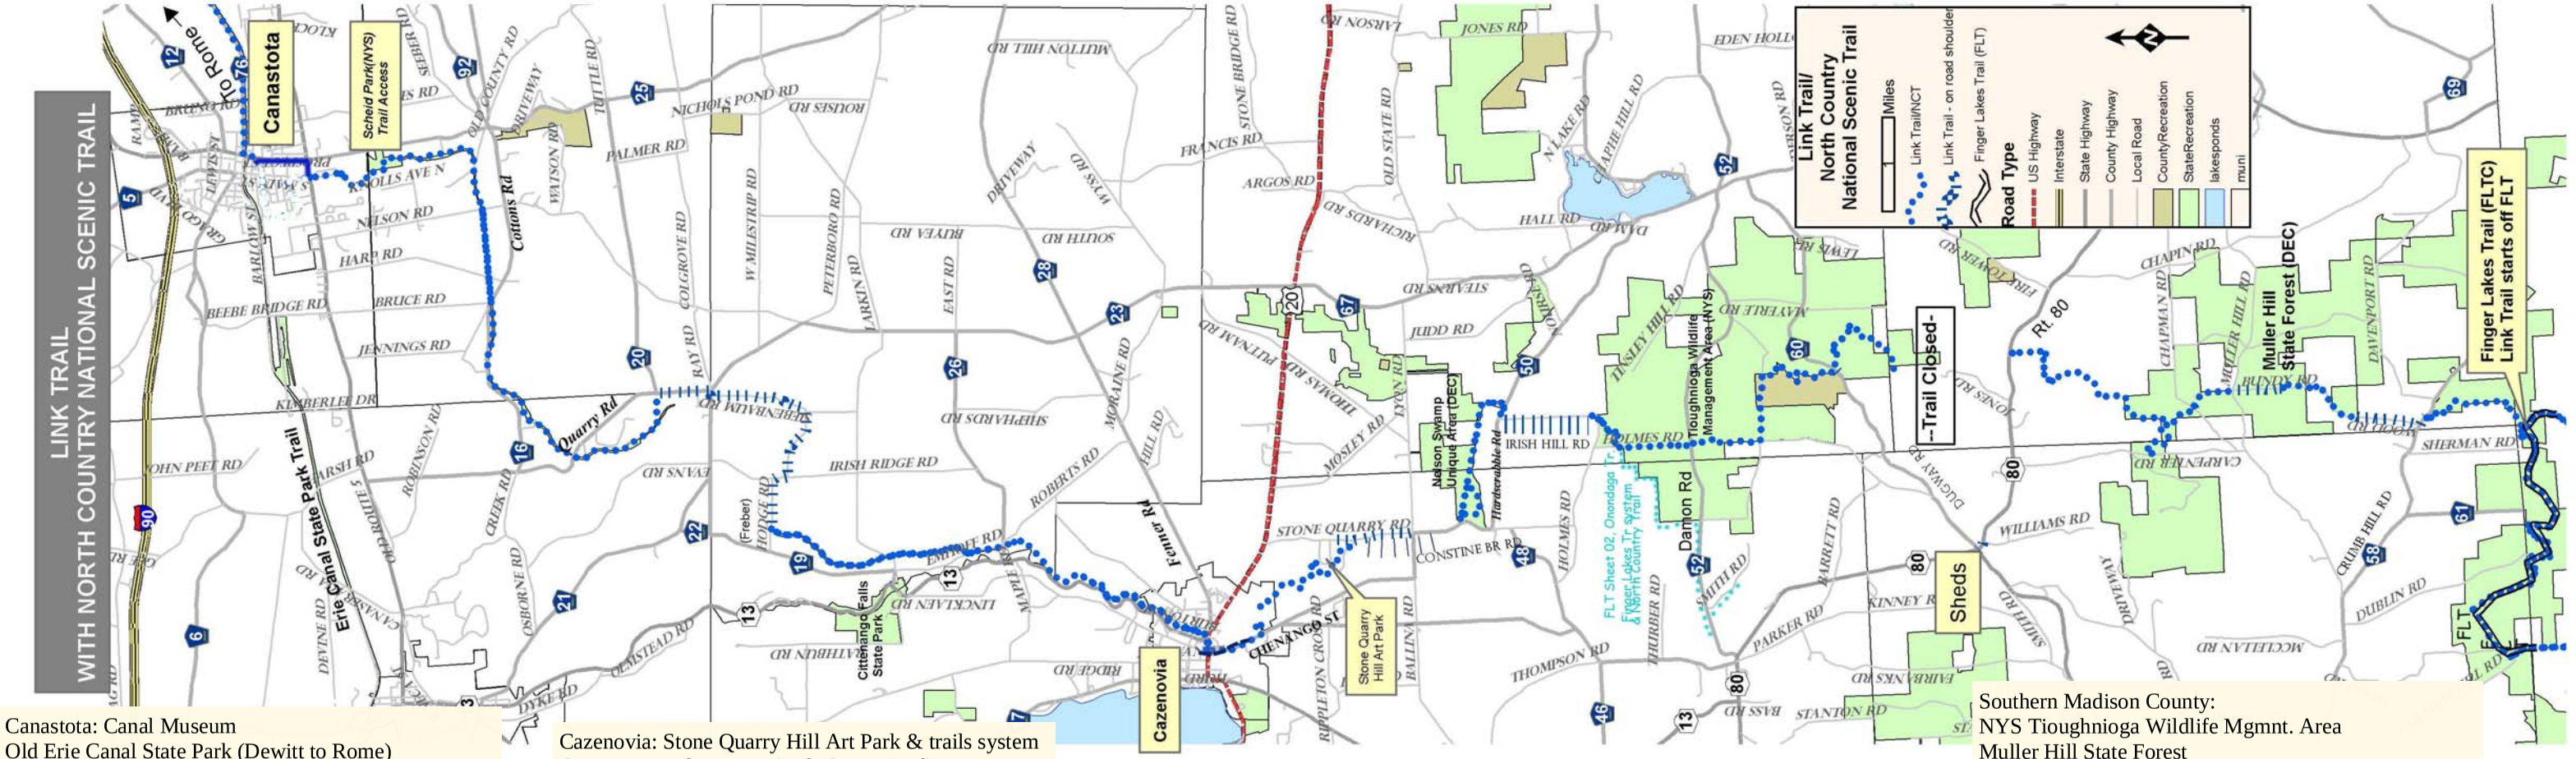
The Link Trail is identified with yellow vinyl blazes, and additionally, where it carries the North Country National Scenic Trail, with the blue blazes and shield of the NCT. Look also for wooden name signs, guide posts and information kiosks located at the Chenango St parking area and Nelson Swamp Unique Area.

We thank our land owner and land manager hosts who have graciously allowed the trail on their properties.






It is our dream that the trail will eventually be all off-road to provide quiet relaxation for all those who enjoy foot travel.
